Abound staff will work with applicants to finalize grant funding details and prepare the formal agreement for signature.

October 30, 2026	Disperse funds	CFAA will disperse funds no later than this date. Once an application is approved, Abound will call the grant recipient to receive your ACH banking information, if we do not already have it.
January 29, 2027	Grantee to spend allocated funds	Grant funds received must be spent no later than this date in order to be able to complete reporting by the final report due date, or risk returning the unspent funds.
April 30, 2027	Final Report Due	Grant term is scheduled to conclude by the end of April. Final report must be submitted by email to info@capfoodaccess.org by this date.

- Please confirm that you understand the grant purchasing and reporting timelines.
- Programs will have to adhere to the above timeline in order for your organization to finish and submit the final report by the designated due date.
- Awardees must track data and outcomes during the entire grant period for report submission by the due date or risk the return of funds.

By  checking the box, you confirm that your organization will commit to these timelines. (Required)

Q&A Session: Prior to award, the CFAA will host a virtual Q&A Session on the date specified in the table above. If your organization is unable to attend the virtual session, we welcome questions submitted via email. Abound will do our best to be available to address any questions regarding the grant program between the dates specified. Please note that after this period, the Abound team will no longer answer questions. A list of frequently asked questions will also be available on the CFAA  website.

Application Assistance:

Abound Food Care is available to assist you with your application or answer questions by request through info@capfoodaccess.org. Applicants will be scored based on their ability to fully and completely address all elements of this grant application, in addition to the commitment to meet grant timelines, particularly reporting requirements. Higher scores will be provided to applicants that can demonstrate collaboration and the ability to meet all reporting requirements.

Notice: CFAA reserves the right to modify the grant timeline should it deem, in its sole discretion, to be in the best interest of. If any changes are made, CFAA will send a notification by email to all potential applicants and awarded grantees as necessary.

CFAA reserves all its rights and options including, without limitation:

- To accept or reject any portion of the grant application;
- To reject any and all applications that fail to meet the requirements of this grant;
- To accept applications that are, in the judgment of the CFAA, in the best interest of the CFAA;
- To request clarification from any respondent;
- To reject any and all non-responsive applications; and,

- To reject applications without cause.

Application Requirements

- Submit one complete application including:
